About The Babaji Speaks Website

Babaji Speaks was a special website documenting Babaji's correspondence with His devotees on the internet. Most of Babaji's correspondence was through email passed to and from Babaji by Marge Meduna-DeVivo during the period from December 9, 1998, through August 4, 2000. There are hundreds of these emails, some of which are shared here. Others will be shared as time goes on.

Introduction

Babaji Speaks . com was a special website documenting Shri Haidakhan Babaji's correspondence with His devotees on the internet. All information from the site is presented here.

Most of Babaji's correspondence was through email passed to and from Babaji by Marge Meduna-DeVivo during the period of December 9, 1998, through August 4, 2000.

Sections Include:

- * Babaji's Emails to Marge
- * Emails with Babaji
- * Archived Email Messages
- * Peacenews Messages
- * Babaji Forum
- * Direct Teachings without Questions

Those who wrote to Him through the forums were able to get direct replies without passing them through the usual email process. ALL who read the Forum could read what everyone else wrote and what Babaji replied. This was connected to the website www.Babaji.net from July 15, 2001, until August 20, 2001. On August 20, all messages except one (announcing a *Living the Teachings Support Group List*) were removed from the Forum. The only one who had the authority to remove those messages was the Forum Moderator, Babaji. Fortunately, all of them were copied and were presented on the BabajiSpeaks.com website.

None of the verbiage of Babaji's messages was edited in any manner, it is just as received.

ALL of these messages show a level of compassion, unconditional love, and deep understanding of the Teachings of Babaji, encouraging all who read the material to Live on the Higher Path.

As Babaji states again and again, He is with us always. In any time of need, all we need do is repeat the Mahamantra (Om Namah Shivaya) and call out Babaji's Name.

One of the early messages from Babaji

BLESSINGS:

I AM NOT HERE TO CONVINCE YOU OF ANYTHING.

I AM NOT HERE TO BE RECOGNIZED.

I AM NOT A SHOW, NOT AN ENTERTAINMENT.

I AM ONLY HERE TO SERVE.

***I AM ONLY HERE TO SHARE MY MESSAGE
OF TRUTH, SIMPLICITY, LOVE AND SERVICE.***

I WANT YOU TO WALK ON THE HIGH PATH.

I WANT YOU TO BE INDEPENDENT THINKERS.

***I WANT YOU TO FIGHT THE CORRUPTION OF FREEDOMS,
OF THE POOR, OF THE LAND, SEA, AND AIR.***

***I WANT YOU TO BREAK AWAY FROM THE LOWER SELF,
THAT PART WHICH DEMANDS MORE AND MORE,
ONLY TO BRING YOU MISERY AND DESPAIR.***

I AM NO-ONE.

I AM NO-THING.

I AM ALWAYS WITH YOU.

Email Announcement Regarding Babaji's Communications

Excerpt from the Peacenews Newsletter, May 20, 2000

Dear Friends, Om Namah Shivaya

I just got permission TODAY to let people know that I have been receiving emails from "Herakhan Babaji." This began on December 9, 1998, and continues to this day. These emails are the source of inspiration for ALL aspects of the website, www.Babaji.net, for the "International Peace & Healing Meditation" (even down to the specific time and instructions about the candle flame, etc.), and many of the messages I have been sharing in the Peacenews Newsletter.

I don't have time to "prove" anything to you or elaborate much in this email. I just want you to be aware of this and be ready for further explanation in the coming days. If you have specific questions about what I have just said, please just send them to me and I will incorporate the answers into "Peacenews." I am also putting the COMPLETE story into a book, which I believe will be self-published, so that all the gaps can be filled in. I share with you now the FIRST message I received:

December 9, 1998

"The Great Revolution is coming as I have predicted. Change is nothing new. It is a law of nature. What is born must die and what dies must be born. The human being is enslaved to his lower nature. I have come to lead human beings to a higher path. Attach yourself to God. Be brave and always walk on. Prepare to walk into the fire. There will be many mountains to cross, but do not stop until the goal is reached. Be strong. I am Here.

"Babaji"

... and the LAST one received today:

May 20, 2000

"Blessings:

"Tell them everything. Remind them of my message of TRUTH, SIMPLICITY, LOVE. Many hear it, many teach it, many read it, but few understand. I have taken this body to change that.

"Babaji"

So my task will be to "fill in the blanks" between then and now, so that Babaji's Message will be understood by more people, that we may Live on the Higher Path, KNOWING that HE is watching over us and available to assist at every step of the way!!! We can all be a great support team for each other on this path.

"Blessings:

"... I speak to many Hearts in many ways. You will learn of this. Many will say this and many will say that about Babaji. How can they know anything about no body? How can they know anything about no thing? If the mind tries to put Babaji in one place, in one body, in one culture, in one time, in one form... how can that mind understand how to use the Teachings for spiritual growth?

"Shall we live in the dead past or shall we move forward through the eternal now.

Beautiful Post From "N" Explaining the Personal Meaning of This Website

Position/Unconditional Love

Babaji,

You know me all too well. What I am enjoying about this form of contact is that there is no distraction of a physical body - I can concentrate on the TEACHINGS, rather than "judging" where I fit in with the others, or worrying about "position."

ALL are EQUAL in Your eyes and worthy of unconditional love. ALL can receive from you and there is no "better devotee" because they saw You in a body. The "hierarchy" sometimes turns into a new form of caste system of those who saw Babaji being "better" or "more lucky" than those who did not. In other words, another way to boost the ego and put others down, or have power over others.

This gets all too ugly in the community and stops many from being more deeply involved. Your details of how to live the teachings are filling in the blanks for me of what I did not understand before. I am grateful.

Even with this form, we could get egotistical and think we are ""better" because we found this, but all you say here points us to the HEART - that is the ultimate place to find Babaji and available to ALL, all the time.

By concentrating on the Higher Path, we CANNOT play these games on each other and still remain on the Higher Path, living Truth, Simplicity, Love, and we need to stop judging others in the process.

I await your thoughts on these thoughts.

Thank you.

N.
